Old Business

There was no progress with repairs or painting of the hall

One volunteer came to help Paul clean out the kitchen

Keith to check and maintain the air conditioning unit

No updates on the ceramic events since Karan was not present at the meeting

Mary, still organizing and scheduling food trucks June booked once a week with food trucks
Food truck events have been a great success

The association is unable to obtain commercial licensing for food preparation and converting the kitchen to a commercial kitchen is way too big of a job and infeasible monetarily

The association is to obtain temporary event permits per event

The picnic will potentially need two permits, one from building and zoning, and one from the health department

We only need zoning permits for the food trucks, food trucks are to provide their own health department permits

Paul will contact appropriate departments regarding permits and finalize all this permit business

New Business

Next meeting July 6th

Summer picnic scheduled for July 15 really need to get organized. Need to get volunteers.
Discussed doing dry run of our taco bar so we have the food finalized for picnic.

Planning for potentially 100 to 150 people to attend

The swing band is confirmed to play the event

Planning for hot dogs for kids and non-taco people

Plan to do raffles for gifts

Mary to start on donations for gifts from businesses.

Paul will update his donation letter

A budget of \$500 was allocated for the picnic food and a \$200 budget allocated for supplies & miscellaneous for the event

1st Keith 2nd Hildy

Need to remind Karan to update the signs for the food truck events
